

## HUNT FIRE BUG

Chief Arthur Boudreau, of the Wilmington Fire Department, called for the State Fire Marshall, Wednesday morning, to investigate a series of suspicious fires, near the corner of Hopkins Street and Shawsheen Avenue.

### Firebug Finally Successful

The third attempt in two weeks to set fire to the property of Joseph De Cota, Shawsheen Avenue, was successful Tuesday night, as an old barn in the rear of the property was burned to a charred finish. Fire Chief Arthur Boudreau has no doubt that a 'firebug' is involved, perhaps a youngster.

The fire, about 10 pm Tuesday, was visible for miles in the surrounding territory. The barn, an old structure which had not received any maintenance for years, was a solid mass of flames at the time of the arrival of the Fire Department.

Wilmington police, directed by Sgt. Sidelinker, stopped all traffic on Shawsheen Ave. near Hopkins Street, to protect the fire-hoses, laid across the street.

A number of men, returning home to the Fairmeadow Road section from work, were delayed.

### EARNED WITH HONOR

Danny Rheure, of Wilton Drive on his way to Church Sunday morning exhibits the 'shiner' he earned the night before, at the High School boxing matches. Danny was one of the outstanding boxers at the show.

### NO WATER

Fire Department Lt. Harold Cail, and Officer John F. Burke of the Police Department man a hose and wait for water, at the barn fire on Shawsheen Avenue, Tuesday night.

### ON HIS WAY TO QUEBEC

Alan Ford, (2nd from right) High School Junior, who is to speak to the Quebec Rotary Club, in the Chateau Frontenac, next Tuesday. Ford is the 1960 winner of the Rotary Oratorical Contest.

To the left are Jon Meads, and Carleton Eddy who were the runners-up in the contest. In center is Ed. Osperg, president of National Polychemicals, and chairman of the contest committee, and to the far right is Roger Grant, High School teacher of English and Speech.

### BALDWIN CLUB ELECTS OFFICERS

Richard E. Keane, a sales representative for Raffi & Swanson, and North St. resident, was elected Chairman of the Baldwin Civic Club at their April 5th meeting.

Other officers elected for the 1960-61 term were: Frank McLean, 32 Salem St., Clerk; George Clark, 1 Chandler St., Financial Secretary; William K. Widger, 1 Fairview Ave., Treasurer. New directors elected were Frank DeVita, Lockwood Rd and John Fullerton of Federal Street.

## NO WILMINGTON BUS SERVICE PROPOSED

### LAWRENCE-BOSTON PROPOSED BUS SERVICE MAY STOP AT NORTH WILMINGTON

A proposed bus service, between the cities of Lawrence and Boston, via the new route 93 met an enthusiastic response from the Board of Selectmen, Monday night.

Francis J. Trombly, of Andover, owner of the Trombly Motor Coach Service, told the Selectmen that he is planning an express service between the two cities, with probably later stops at a few points in the towns between Boston and Lawrence.

The Boston terminal would be at Park Square, and public hearings are to be held in several of the cities and towns

involved within a few weeks.

Trombly told the Selectmen that he believed the travel time between the two cities would be about 35 minutes, in 41 passenger air conditioned coaches.

He now operates a service between Lawrence and Manchester N.H., which he reported he started in 1957, and has never had to increase fares. In the Boston-Lawrence run he plans to have to have monthly tickets, 20 ride tickets, and round tickets. He would give no estimate of price between No. Wilmington and Boston, but on reports he gave of prices elsewhere Nicholas De Felice, chairman of the selectmen, guessed 'about 55¢'.

De Felice suggested that the North Wilmington Parking Lot, only half a mile from Route 93 might be a good Wilmington Terminal for the proposed bus line, and his thoughts were seconded by Selectman Don Kidder, who said 'We might even sell you the parking lot', and Selectman Charles Black pointed out that the service would be a boon to Avco employees, a large number of whom live in Lawrence and Andover.

Selectman Kidder proposed that Trombly be given his Wilmington rights immediately, but the matter was taken under advisement for further discussion.

### GILDART LOW BIDDER IN FOUR OF FIVE TOWN CARS

The Gildart Chevrolet Company was low bidder, as bids were read out, in four out of five bids opened in the Town Hall Wednesday morning, for vehicles being purchased by the town. The bids are still subject to evaluation and confirmation.

The Fred F. Cain Company was the low bidder in the fifth bid - for a car for the Welfare Department.

Gildart bid \$2973.49 and Cain bid \$3279 for a School Grounds maintenance truck. North Woburn Motors bid \$2776.15 and Gildart bid \$2739.91 for a truck for the Fire Department.

On two police cruisers Gildart bid \$2553.12, and Cain \$2800. The Welfare car was bid at \$1612.71 by Gildart and \$1569 by Cain.

The Wilmington Ford bids were not accepted by the Town Manager, because by oversight no certified check was enclosed with the bids.

### TOWN HALL TO CLOSE AT NOON GOOD FRIDAY

The Town Hall will be closed at 12 noon on Good Friday, Apr 15th with the exception of the Town Clerk who will be available to issue fishing licenses.

### THUNDERBIRDS RESUME PRACTICE

The Wilmington Ford Thunderbirds will hold their first softball practice of the season this Sunday at 2 pm in the Town Park. The T Birds anticipated another championship for this year!

date another championship for this year!

### PAUL GODZYK PROPOSES TO BUILD 6000 SQ. FT. GARAGE

Paul Godzyk, Parker Street, last Thursday night told the Board of Appeals that he wants to erect a 6000 square foot garage, on Lowell Street at the corner of Young Street (a so-called 'paper' street). The garage would be just about opposite to the Shell filling station on Lowell Street, and the land is already zoned for General Business.

Godzyk told the Board of Appeals that he would have a mechanic working there, and because he expected people to be stopping in from time to time, requesting repairs, he wanted the garage to be of the commercial type.

There was no opposition to the proposal, but Building Inspector Minot Anderson and Howard Woolaver, of the Planning Board had suggestions to offer.

Anderson told the board that the type of structure proposed (a 'Butler' type building) would require a concrete block or similar wall, for the sides instead of metal, if the building were to be in conformity with the building by-laws.

Woolaver's remarks referred to the appearance of the place and Godzyk proposed to erect an eight foot cedar fence, behind the garage, for the back yard.

The appeal was taken under advisement.

### NEW HOUSING AUTHORITY MEMBER TO BE APPOINTED APRIL 25TH

A joint session of the Board of Selectmen and the Wilmington Housing Authority, to be held April 25th., will be held for the purpose of electing a member of the WHA to replace Frank McLean, resigned.

## PROSPECTS ON BUSES

An odd twist has been given to the parking  
lot situation in No. Wilmington by the proposal  
of the Trombley Bus Lines to use it as a stop-  
ping point, in their proposed Lawrence-Boston  
Bus service.

The parking lot, as will be remembered, was  
voted in town meeting because of the congestion  
caused by train traffic at the North Wilmington  
railroad station. The town built the lot, at a  
total cost of approaching \$13,000, of which  
\$7,500 was for land damages. The idea was good,  
but it didn't work, because the B&M then with-  
drew its North Wilmington service.

We have always felt that this was a strate-  
gical mistake on the part of the B&M because  
the proximity of this parking lot to the new  
Route 93 meant that it could have developed the  
North Wilmington station into a good business,  
such as the New Haven did at the Route 128 sta-  
tion, south of Boston.

But the B&M pulled out, and the parking lot  
has not been too busy. Sometimes there are four  
or five cars there. Occasionally there are 30.  
Last winter it was used for Jimmy White's sand  
pile.

It is, at least at first glance, an ideal  
place for the proposed bus service to have its  
No. Wilmington stop. Only half a mile from the  
new highway, it will provide easy access, and  
fast and cheap transportation to Boston, ac-  
cording to some estimates made.

The proposition looks good. Winchester, Mon-  
day night voted to allow the service through  
that town, without any stops. Woburn is expect-  
ed to follow suit.

The economics of the case is, of course, a  
matter for the Trombley people. If they can see  
their way clear, North Wilmington might soon  
have a non-stop service to Boston which we feel  
will be well patronized.

And, as pointed out by Selectman Black, this  
could well prove to be a boon to the Avco em-  
ployees who live in the Andover-Lawrence area.

## EDUCATION vs CONSTRUCTION

There is a lesson to be learned, but no an-  
swer to it, in the resignation of John Collins,  
as Superintendent of the Wilmington Public  
Schools.

Mr. Collins resigned because of the workload  
being imposed on him by the school construction  
program in Wilmington. The prospect of an ad-  
ditional six schools to be built in eight years  
was just too much to contemplate.

Our previous superintendent, Clifford J.  
Good, resigned for exactly the same reason.

Both men are educators, but avocation and by  
profession. They feel that their time should be  
devoted to improving the curricula and stand-  
ards of our schools, to improving the educa-  
tional opportunities of our children.

The time spent in discussing and working on  
the construction of school buildings, these men  
feel, is time robbed from the children of Wil-  
mington.

**MANAGERS OF SOFT BALL TEAMS**  
There are to be seven teams  
in the Wilmington Recreation  
Soft Ball League this year.  
The season is to start on May  
2nd, in the Town Park, with  
games played Monday through  
Thursday, starting at 6 pm. The  
first game is to be between  
the Merrimacs and the Thunder-  
birds.

Managers of the teams are:  
Merrimacs, Bob Baker; Thunder-  
birds, Vinny Coyne; Conquer-  
ors, Bob Smith; Unit Packet,  
Jimmy Tighe; National Poly-  
chemicals, Reg Pellitier; Oak-  
kies, Leo O'Connell Sr.; and  
American Legion, Jack Pellerin.  
Each team will play 12 games  
during the season.

## TOWN NOTES

### Except Fishing Licenses

The Town Hall is to close at  
noon, on Good Friday, but  
there is one exception. Esther  
Russell, the Town Clerk, will  
stay on until 5 pm.  
It's Fishing Season time, and  
she figures there will be a  
sudden demand for Fishing  
Licenses.

### Alan Ford

Alan Ford, who is the winner  
of this year's oratorical con-  
test, sponsored by the Rotary  
Club, is a 16 year old Junior  
in Wilmington High School, who  
is taking the College-Scienti-  
fic course, and hopes to go to  
Tufts College.

He has been a resident of  
Wilmington for six years, com-  
ing here from Lynn, and he  
lives with his grandfather,  
Samuel Mazer, on Salem Street.  
This will be Ford's first  
trip out of the country, his  
only previous traveling being  
to Newark, New Jersey.

He will fly to Quebec, ar-  
riving there Saturday, and  
spend the weekend as the guest  
of Quebec Rotary. Tuesday he  
speaks at the Rotary Club  
there, in the famed Chateau  
Frontenac.

Ford's subject is 'Youth and  
International Relations', and  
the Wilmington Rotarians aver  
that he is one of the best  
speakers they have ever heard.

### Gravel Again

The town owned land, in South  
Woburn, just beyond the Spina-  
zola property is a place that  
seems to draw the gravel mer-  
chants like a magnet draws  
steel.

Two years ago the town kicked  
out several different opera-  
tors.

Two weeks ago the Building  
Inspector, visiting in the  
neighborhood for other reasons  
found that the operators had  
been back again.

### SSRP

That means Soft Seats for  
Policemen, and the news is  
that they aren't going to get  
any.

Chief of Police Paul Lynch  
last Thursday, while going over  
the specifications for furni-  
ture, for the new Police Sta-  
tion, told the Building Com-  
mittee that 'hard' folding  
chairs, for the Squad Room,  
would be OK.

It's the same kind of seats  
that the voters get, in Town  
Meeting, he pointed out.

### Census Counts

We had a chat with the Census  
taker during the past week.  
After all, it is only once in  
ten years that we have such a  
chance.

It seems that Uncle Sam bun-  
gled ever so slightly, in Wil-  
mington and Burlington, and,  
we presume, in some other con-  
tiguous areas nearby. He fi-  
gured this was still oh so rural  
country.

Wilmington, according to our  
source of information, had on-  
ly four census takers appoint-  
ed, the basis being what we  
were like in 1950. When the  
local director realized what  
had happened he began to bom-  
bard Washington for more help,  
but Washington's wheels turn  
so slowly, as everyone knows.

Wilmington should have had  
12 census takers. Some people  
have been sent in from other  
places, but the census is not  
progressing (or maybe was  
not) according to the speed  
that might have been expected.

**WILMINGTON METHODIST CHURCH HOLDS ANNUAL MEETING**

The Wilmington Methodist Church held its Annual Meeting on Monday, April 4. The meeting began with a dinner served by the women of the church which was followed by the in-

spirational and business session. Rev. Willard C. Arnold, Lynn District Superintendent, presided at the meeting. The Rev. Richard E. Harding gave his seventh annual report to the congregation, stating that in the period of time he has been privileged to be with the church the membership has grown over 300% to 575, the annual budget from \$8,000.00 to over \$32,000.00, and the worshipping congregation which he felt was the most significant sign in the life of the church from 130 to over 300 each Sunday. He challenged the members to raise their sights concerning the church beyond their own in terms of its Missionary giving, bearing a forthright witness against the evils of the community, and speaking fearlessly on the moral issues of disarmament, nuclear bomb testing, racial tensions, etc. The laymen of the church were praised by the pastor for their continuing leadership in the life and ministry of the church.

During the evening, Mrs W. T. Staveley, who retired after 34 years of service as organist and choir director, and William Russell, who retired after 15 years as Church School Superintendent, were honored by the members of the conference. Each were given a certificate of appreciation, and Mrs Staveley received a tape recorder for use with the choir, and Mr Russell a leather bound copy of the New Testament.

Following the reports of the

Trustees and organizations of the Church, a panel presentation was made of the Five Commissions, Stewardship and Finance, Missions, Social Concerns, Membership and Evangelism, and Education. William Stickney, Director of Stewardship for the Church moderated the panel which was one of the highlights of the business session.

The meeting concluded with the election of officers for the coming three years. Elected trustees were Mrs Herbert Coontz, Mrs Paul Delaney and Roland Wood; to the Board of Stewards, William Russell, Ruth Kitchener, Viola Staveley and George Webster. The new members of the Commission on Social Concerns are William Faulkner, Mrs Richard Higgins, Rev. Stanley Kenderdine, Mrs. Richard Harding and Jack Fullerton. The present members of this Commission are Donald Hebsch, Mrs Waldo Stevens, Mr and Mrs Ernest Ball, and Paul Bodenstein, chairman. Elected to the Commission on Stewardship and Finance were: Raymond Gardner, Robert Clark, Frazer Butt Niels Hansson, with the present members being Mrs Jack Randall, Mrs Ariel Wood, Frank McLean and Waldo Stevens, chairman. To the Commission on Membership and Evangelism Mrs W. T. Staveley and Charles Mather were elected. Selectmen's meeting Monday night - and the Selectmen took heed.

Veteran Selectman Charles H. Black advised the Selectmen that Hathaway 'will pin your ears back' - and the rest of the Selectmen listened, and then instructed the Town Manager, Cecil O. Lancaster, to consult with the Town Counsel, relative to ordering a fence erected around the near 10 acre lake he left in his gravel pit, off Salem Street.

**Hazards**

Building Inspector Minot Anderson had listed, in a letter to the Selectmen, four places that constituted, in his opinion 'hazards to the public safety'.

There was no discussion about the first three. One was a cellar hole off Linda Road, the second a cellar hole off Federal Street, and the third the abandoned Siegal gravel pit, between Ballardvale and Andover Streets.

The Selectmen ordered all three to be fenced off, so as

to prevent children from falling in. The order takes effect in five days, and a violation can be fined, at \$20 a day.

But, in the case of Steve Hathaway's pit, it was a case of go slow.

Town Counsel Philip Buzzell is to be asked for advice, before any order is issued.

**CHARLES LENNOX GETS APPROVAL  
OF ADDITION FOR GAS STATION**

Charles Lennox, operator of the Jennie gas station, near the Woburn line, had a hard time at the Board of Appeals hearing last Thursday, but emerged smiling.

Lennox had to have an addition to his building, and was told by the Building Inspector that he would have to wait until it had been approved by the Board of Appeals.

He built it anyway, telling his friends that if necessary he would tear it down.

Howard Woolaver, representing the Planning Board, pointed out during the hearing that the building was not in conformity with the regulations.

The Planning Board, he said, was very unhappy to see things taken for granted.

After a long discussion the

Appeal Board granted the appeal of Mr. Lennox, and he left the Town Hall smiling.

**TWO APPEALS FOR HOME  
BUILDING ON CHESTNUT ST**

Two separate appeals for the right to erect homes on Chestnut occupied the attention of the Board of Appeals, last Thursday night. In both cases the decision was withheld, pending further study.

William Magee, who lives near the foot of Chestnut Street, in the 'Rural' zone, owns about 70 acres of land on which two homes are already built. He wanted to erect a third one for one of his sons, but had only 130 feet of street frontage left. The law requires 200

The other case involved land owned by Bert Quigley. The Jackson brothers, contractors, wanted to buy the lot, and build two homes. Each home would have only 112.5 feet street frontage, instead of the 125 foot frontage required in that area. A second point was that the lot lines were not at right angles to the street, as is required.

Both men were told that they would be notified by mail of the decision.

ROBERT E. SEELEY

**JAYCEE STATE VICE PRESIDENT  
TO RUN FOR NATIONAL DIRECTOR**

At a recent meeting of the Wilmington Junior Chamber of Commerce, State Vice President Robert E. Seeley, an employee of Avco Corporation, announced that he was accepting the nomination to run for National Director of the U.S. Junior Chamber of Commerce. In this capacity Mr. Seeley would travel to St. Louis, Mo., Tulsa, Oklahoma and Atlantic City, Ga. to represent the Mass. Jaycees in the formulation of programs and policies for the coming year.

During the past year, Mr. Seeley has served as Vice President and Director of the Mass. Junior Chamber of Commerce, Business Manager and coordinator of the official Mass. Jaycee newspaper, the 'Bay State Digest', and Past Treasurer and Director of the Billerica Junior Chamber of Commerce.

Presently, Mr. Seeley is actively participating in the Wilmington Jaycee re-organization and membership drive, headed by Kevin Gallimore of Birchwood Rd. 'Our problem' said Mr. Seeley, 'is not in getting young men to join our organization, but rather one of getting the people acquainted with our primary objective, to train young men in the qualities of leadership so essential in their lives if they are to equip themselves for better jobs in the future.'

'The Junior Chamber of Commerce' is not a 'chamber of commerce' nor is it 'junior'. It is a civic organization dedicated to building men through practical experience in running community projects. It is open to all young men of good character between the ages of 21 and 35.

Information concerning the Jaycees may be had by calling Mr. Gallimore at OL 8-8758.
